

Our DPCDSB Mission: Disciples of Christ, nurturing mind, body and soul to the fullness of life.

Our DPCDSB Vision: Changing the world through Catholic education.

May 2025

This month, the Dufferin-Peel Catholic District School Board's (DPCDSB) virtue of **ACCEPTANCE** aligns with our Catholic social teachings to create school environments that are safe, caring, healthy and inclusive for our students, families, and staff.

May is the Month of Mary, Mother of God. The Church traditionally dedicates the month of May to the Blessed Virgin Mary. During this time, Catholics try to keep the Mother of God more present in their hearts, with a love shown in affectionate devotion to Our Lady.

Catholic Education Week (CEW) 2025 – Each year, the Ontario Catholic School Trustees' Association (OCSTA) sponsors Catholic Education Week, a week where Catholic education is highlighted and celebrated across the province. This year's celebration takes place from May 4-9. In keeping with the promotion of Catholic identity in the 29 Catholic school boards across the province, this is a special opportunity for our board to place Jesus Christ and the teachings of the Catholic church at the centre of our Pilgrims of Hope journey.

This year's CEW theme is **Catholic Education: Pilgrims of Hope**. Hope is foundational to our faith. We find hope in God's grace and love. This year's CEW is inspired by the Jubilee Year. This Jubilee Year provides us with the opportunity to serve the common good and recommit ourselves to prayer, service, and evangelization. As Catholic school communities, school boards, and as individuals active in Catholic education, we are invited to journey together during this special year, and to live it with enthusiasm, creativity, and generosity. All CEW resources and educational materials can be found on the [OCSTA website](#).

The five sub themes for CEW explore ways to live out Pope Francis' call for each one of us to be *Pilgrims of Hope*:

- *by honouring human dignity (Monday)*
- *by caring for creation (Tuesday)*
- *by responding to the poverties in our world (Wednesday)*
- *by serving in solidarity (Thursday)*
- *by living as peacemakers (Friday)*

DPCDSB will engage our communities with a social media campaign to mark this year's CEW. Students, staff, parents, trustees, and alumni are encouraged to share their personal reflections on Catholic education and showcase how they are celebrating the week through photos, videos, quotes, and artwork, using the hashtag #DPCDSB_CEW. We look forward to seeing how our schools and communities come together to celebrate this special week.

DPCDSB hosted Jubilee Year Youth Day to celebrate our call to be *Pilgrims of Hope*. This event brought together staff and students from across the system to recognize this significant celebration of our Christian faith. Pope Francis reminds us, "*The future has a name, and its name is Hope.*" As we prepare to journey together as *Pilgrims of Hope* across the DPCDSB, may hope fill our days as we continue to celebrate and uplift the unique identity and distinctive contributions of Catholic education in our schools, homes and parishes.

May 1 Memorial of St. Joseph the Worker – International Workers' Day is celebrated in many countries to recognize the value of human work, defend the dignity of working people, encourage all to be responsible in their work, and celebrate the role that human work has in God's plan for creation. Our board observes May 1 as **DPCDSB Staff Appreciation Day**. **We express gratitude to our staff for the important work they do in publicly funded Catholic education, in service to the children and youth entrusted to our care.**

Mental Health Week 2025 - May 5-11 marks Mental Health Week. Throughout this week, DPCDSB schools recognize the importance of mental health and wellness. Schools will be using the resources provided by the DPCDSB Well-Being Department, which align with the Ontario Ministry of Education's curriculum and can be embedded in everyday lessons. At the local school level, students will be engaging in a variety of activities that encourage reflection, connection, and self-care.

DPCDSB Financial Update - DPCDSB continues to project a deficit of \$38.8 million for the 2024-25 school year, impacted primarily by the employer funded Long-Term Disability (LTD) plan. Additional cost pressures include the unfunded portions of the Canada Pension Plan (CPP and CPP2) and Employment Insurance (EI), the transportation grant, as well as critical system investment needs, such as technology, cybersecurity and curriculum materials. For more information, please refer to the DPCDSB Board of Trustees – April 8, 2025, Administration and Finance Committee Meeting on the board website.

The Ministry of Education is fully aware of the unique position that DPCDSB, with respect to the employer funded LTD Plan and we continue to work with the Ministry of Education through our multi-year financial recovery plan working towards a resolution.

Enrolment – Enrolment figures are updated with the Ministry of Education at specific reporting times including Estimates, Revised Estimates, March reporting and Year-end. Between the reporting dates of Estimates (June) and Revised Estimates (December), total projected enrolment decreased by 83 average daily enrolment (ADE) students (or about 0.1%). Early projections for 2025-2026 indicate stabilization: enrolment decline in the elementary panel mitigated by enrolment growth in the secondary panel.

Ministry of Education Student Achievement Plan – On July 28, 2023, the Ministry of Education released a memorandum communicating key regulatory and policy reforms in support of the *Better Schools and Student Outcomes Act, 2023*, including a new regulation that established provincial priorities for student achievement:

- Achievement of Learning Outcomes in Core Academic Skills
- Preparation of Students for Future Success
- Student Engagement and Well-Being

As part of the July 2023 memorandum, the Ministry released a Student Achievement Plan (SAP) framework, which is aligned with the above student achievement priorities. The framework sets out goals and performance indicators for school boards to measure student achievement, develop action plans and monitor their progress on levelling up student outcomes. School boards must use the SAP Public Reporting Template to publicly report on progress made in relation to the provincial student achievement priorities. The publication date is generally April 2 each year; however, due to delays related to the 2025 provincial election, the Ministry of Education requires school boards to post their 2024-2025 SAP Public Reporting Template by April 30, 2025. DPCDSB has posted this report publicly on the Multi-Year Strategic Plan (MYSP) page of our website: <https://www.dpcdsb.org/>
