## Centennial College: See Where Experience Takes You

When Centennial College was founded as Ontario's first public college in 1966, it focused on preparing students for burgeoning new careers in business, communications and social services. Rapidly expanding public services such as recreation and child care needed new kinds of practitioners, and the college emphasized careers that were geared to the local economy. By contrast, today's Centennial College is an integral part of the global economy. With 7,000 international students enrolled at its Toronto campuses, Centennial has become a cosmopolitan learning destination that transcends borders and brings tangible benefits to all who learn here.

Learning should be visceral, imaginative, liberating and empowering. At Centennial, it is. Graduates are prepared to do meaningful work and lead meaningful lives. Students are given significant opportunities to engage, both locally and internationally. Volunteer experiences through our Global Citizenship and Equity Service Learning Experiences (GCELE) dispatch students to distant lands, including Peru, South Korea and Kenya, to perform service learning in rural and often remote communities. Our award-winning approach to teaching

# After You Apply

## I've submitted my application. What's next?

- **Send your transcripts.** If you're an Ontario high school graduate, a GED holder, or have attended a school outside Ontario, you'll need to submit your transcript. To find out how to request transcripts and have them sent to the colleges with your application, visit our Transcripts page: [ontariocolleges.ca/transcripts](https://ontariocolleges.ca/transcripts)
- **Verify your grades.** If you're a current Ontario high school student, you'll need to log in to your account to verify your grades. We recommend checking the Education section after your mid-term and final marks for semesters 1 and 2 have been submitted. If you notice an error, report it your guidance counsellor.
- **Update your application.** If you need to make changes to your application, such as adding or removing a program, or update your account information, such as your address or phone number, log back in to your ontariocolleges.ca account. [ontariocolleges.ca/en/faq#how-can-i-make-changes-to-my-application](https://ontariocolleges.ca/en/faq#how-can-i-make-changes-to-my-application)
- **Confirm your offer.** Colleges begin sending out offers on February 1. The following slides explain how to view and confirm offers of admission.
- **Apply for financial aid.** Once you've confirmed an offer, it's time to start thinking about paying for college. There are many financial aid options available to you, including OSAP, scholarships, bursaries and grants. To learn more, check out our Paying for College page: [ontariocolleges.ca/colleges/paying-for-college](https://ontariocolleges.ca/colleges/paying-for-college)
